2. Click "I Don't Have a CE ID#" in the yellow CE Login box.
3. Complete the form to get your CE ID#.

Quick Start Guide: *Natural Medicines Comprehensive Database*

For a detailed list of all the *Database* features, visit NaturalDatabase.com/About

- 1 **Search** with any keyword to find detailed information on natural ingredients, alternative therapies, commercial products, ratings, interactions, CE, and more.
- 2 **Effectiveness Checker:** Search diseases and conditions to find out which natural medicines work and which do not.
- 3 **Interaction Checker:** Enter all supplements, natural medicines, and conventional drugs to get a detailed interaction report including evidence-based ratings for each interaction.
- 4 **Nutrient Depletion Checker:** Enter conventional drugs and find out which nutrients might be depleted. Plus get evidence-based ratings so you know when adding a supplement is worthwhile.
- 5 **Clinical Management Series:** Review special reports about specific conditions, conventional approaches to treatment, and natural medicine alternatives used for these conditions. These courses are also available for CE credit.

GET THE APP! ▶

Download the *Natural Medicines Comprehensive Database* App from the Apple App StoreSM or visit Google Play. Open the App and log in with your CE ID#. (You do not need to enter an email address or password.)
